

**REMARKS**

Claims 32 through 34, 36, 38, 39, 44 through 46, 48, 50 and 51 are currently pending in the application.

This amendment is in response to the Office Action of July 30, 2003.

**Claim Objections**

Claims 32 and 44 are objected to due to informalities in the claim language. Appropriate correction has been made.

**35 U.S.C. § 112 Claim Rejections**

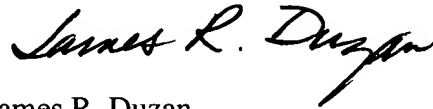

Claims 32 through 34, 36, 38, 39, 44 through 46, 48, 50 and 51 are rejected under 35 U.S.C. § 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which Applicants regard as the invention.

Applicants have amended the claimed invention as suggested by the Examiner for the presently claimed invention to particularly point out and distinctly claim the subject matter of the invention to comply with the provisions of 35 U.S.C. § 112. The Examiner points out the dependence of claim 48 on canceled claim 47. Applicant has canceled claim 48 because the limitation recited by it has been added to independent claim 44. Therefore, presently amended claims 32 through 34, 36, 38, 39, 44 through 46, 50 and 51 are allowable under the provisions of 35 U.S.C. § 112.

Applicants submit that claims 32 through 34, 36, 38, 39, 44 through 46, 50 and 51 are clearly allowable over the cited prior art.

Applicants request the allowance of claims 32 through 34, 36, 38, 39, 44 through 46, 50 and 51 and the case passed for issue.

Respectfully submitted,

James R. Duzan
